

API	Indian Regtn	USDMF	EDMF / CEP	JDMF	KDMF	CDMF	ASDMF	Therapeutic Use
Abaloparatide								Anabolic agent
Abarelix								Antitumor
Abiraterone Acetate	●	●	●					Anti-Cancer
Acalabrutinib								Antineoplastic
Acarbose								Anti-Diabetic
Accetylated Hyaluronate								Poly-Sacharides
Acyclovir	●							Anti-Viral
Afatinib								Anti-ERBB2
Alginate								Poly-Sacharides
Amifostine Trihydrate								Anti-Cancer
Amikacin Sulphate	●							Anti-Biotic
Amlodipine Besylate								Antihypertensive
Amoxicillin Sodium								Anti-Biotic
Amoxicillin Trihydrate			●					Anti-Biotic
Amoxicillin+Potassium Clavulante		●						Anti-Biotic
Amphotericin B								Anti-Fungal
Ampicillin Sodium								Anti-Biotic
Ampicillin Sodium & Sulbactam Sodium Mixed Powder								Anti-Biotic
Anastrozole		●	●					Anti-Cancer
Anidulafungin		●						Antifungal
Ansamitocin P-3								Antibody-drug Conjugate
Ansamitocin P-O								Anti-ansamitocins
Apalutamide								Anti-Cancer
Apixaban		●	●					Remedial agent
Apremilast		●	●					Remedial agent
Argatroban		●						Anticoagulant
Argipressin								Antidiuretic

Ascomycin								Anti-convulsant
Atazanavir Sulphate		●	●					Antiretroviral agents
Atpenin A5								Anti-fungal
Atropine Sulphate								Anticholinergic
Aureobasidin A								Anti-fungal
Avermectin								Anti-anthelmintic
Avibactam sodium								Antibacterial
Axitinib								Anti-Cancer
Azacitidine		●	●					Anti-Cancer
Azilsartan Medoxomil								Antagonists
Azithromycin								Anti-Biotic
Azlocillin Sodium								Anti-Biotic
Aztreonam								Anti-Biotic
Bacitracin		●						Anti-Biotic
Bacitracin Zinc		●						Anti-Biotic
Bacteriochlorophyll A								Anti-Bacteria
Baloxavir Marboxil								Anti-Viral
Bempedoic Acid								Hyper cholesterolemia
Benazepril HCL		●	●					Antihypertensive
Benzyl Pencillin Benzathine	●							Anti-Biotic
Benzyl Penicillin Sodium IP								Anti-Biotic
Beta Alanine								
Betamethasone Acetate								Antiinflammatory, antipruritic
Betamethasone	●	●						Antiinflammatory, antipruritic
Betamethasone Dipropionate								Antiinflammatory, antipruritic

Betamethasone Sodium Phosphate	●							Antiinflammatory, antipruritic
Betamethasone Valerate								Antiinflammatory, antipruritic
Bimatoprost		●	●					
Biotinoyl Tripeptide-1								Pro-hair Peptide
Bivalirudin		●	●					Anticoagulant
Bortezomib		●	●					Antineoplastic
Bosutinib								Anti-Cancer
Brexpiprazole		●	●					Antipsychotic
Brimonidine								
Brinzolamide								
Brivaracetam		●						Anticonvulsant
Bromfenac Sodium								Antiinflammatory
Budesonide		●	●					Antiinflammatory
Buserelin								Antitumor
Busulfan								Antineoplastic agent
Cabergoline								Treat a hormone imbalance
Cabozantinib								Anti-Cancer
Calcifediol								Vitamin D
Calcitonin (Salmon)								Anti-Osteoporosis
Calcium Folate								
Calicheamicin								Antibody-drug Conjugate
Candesartan								An angiotensin receptor blocker
Capecitabine		●	●					Antineoplastic agent
Carbasalate Calcium								Antipyretic
Carbetocin								Cardiovascular
Carboplatin		●						Anticancer

API	Indian Regtn	USDMF	EDMF / CEP	JDMF	KDMF	CDMF	ASDMF	Therapeutic Use
Carboprost								Used to treat severe bleeding after childbirth
Carnosine								Whitening Peptide
Caspofungin Acetate		●					●	Antifungal
Cationized Alginate								Poly-Sacharides
Cationized Hyalurnate								Poly-Sacharides
Cefaclor								Anti-Biotic
Cefadroxil								Anti-Biotic
Cefalexin	●							Anti-Biotic
Cefamandole Nafate Sterile								Anti-Biotic
Cefazolin								Anti-Biotic
Cefazolin Sodium								Anti-Biotic
Cefepime HCL Non-Sterile								Anti-Biotic
Cefipime HCL Sterile								Anti-Biotic
Cefixime								Anti-Biotic
Cefminox Sodium								Anti-Biotic
Cefodizime Sodium								Anti-Biotic
Cefoperazone Sodium & Sulbactam Sodium Mixed Powder								Anti-Biotic
Cefoperazone Sodium and Sulbactam Sodium Sterile		●						Anti-Biotic
Cefoperazone Sodium Sterile	●							Anti-Biotic
Cefoperazone with Sulbactam Sodium Sterile (1:1 / 2:1)								Anti-Biotic
Cefotaxime Sodium Sterile		●						Anti-Biotic
Cefpiramide Sodium Sterile								Anti-Biotic

API	Indian Regtn	USDMF	EDMF / CEP	JDMF	KDMF	CDMF	ASDMF	Therapeutic Use
Clascoterone								Antiandrogen
Clevidipine								Antagonists
Clindamycin HCl / Phosphate								Anti-Biotic
Clobetasone Dipropionate								Anti-Asthama
Clocortolone Pivalate								Anti-inflammatory
Cloxacillin Sodium								Anti-Biotic
Colistimethate Sodium								Anti-Biotic
Colistine Sulfate Premix 10%								Anti-Biotic
Copper Tripeptide-1								Anti Wrinkle Peptide
Cyanosafracin B								Anti-tumor
Cyclophosphamide								Antiproliferative agent
Cyclosporine A								An immuno-suppressant
Dalbavancin		●						Anti-infection
Dantrolene Sodium		●	●					A skeletal muscle relaxant
Daptomycin	●	●	●					Anti-Biotic
Darolutamide								Antiandrogen
Dasatinib								Anti-Cancer
Decitabine		●	●					Hypomethylation agents
Deflazacort								Anti-inflammatory
Defluprenate								Anti-inflammatory
Degarelix								Antitumor
Deoxymulundocandin								Antifungal
Depagliflozin								Anti-Diabetic
Deprodone								Anti-inflammatory
Desmopressin Acetate		●	●					Anti-Diabetic

API	Indian Regtn	USDMF	EDMF / CEP	JDMF	KDMF	CDMF	ASDMF	Therapeutic Use
Desoxamatazone								Anti-inflammatory
Dexamethasone Acetate								Anti-inflammatory agent
Dexamethasone Base	●	●						Anti-inflammatory agent
Dexamethasone Isonicotinate								Anti-inflammatory
Dexamethasone Sodium Phosphate	●		●					Anti-inflammatory agent
Dexmedetomidine								Antihypertensive
Dexrazoxane								Cardioprotective agent
Diazoxide								Treatment of hypoglycemia
Dicloxacillin Sodium								Anti-Biotic
Didemnin B								Antiproliferative
Dienogest								Antiproliferative
Difluprednate								Anti-inflammatory
Dihydrocarminomycin								Anti-tumor
Docetaxel Anhydrous	●	●	●					Antineoplastic agent
Docetaxel Trihydrate		●	●					Antineoplastic agent
Doramectin								Antiparasitic agent
Doxercalciferol								Antineoplastic
Doxorubicin		●						An anthracycline
Doxycycline Hyclate / Monohydrate		●	●					Anti-Biotic
Drospirenone								Anti mineralocorticoid
Dydrogesterone								Anthracycline antibiotic
Eboxaban Tosylate								Anticoagulant
Echinocandin B0								Anti-Biotic
Ectoine

Edaravone								Antioxidant and anti-apoptotic
Elagolix								Antagonist
Elcatonin								Anti-Osteoporosis
Eldecalcitol								Used for the treatment of osteoporosis
Eltrombopag								
Emodepside								Anthelmintic drug
Empagliflozim								
Enoxaparin Sodium	●	●	●					Anticoagulant
Enramycin premix 4%8%								Anti-Biotic
Entecavir Monohydrate		●	●					AntiHBV
Enzalutamide		●	●					Anti-Cancer
Epelerone		●	●					Hypertension
Epinastine HCl								Antagonist
Epirubicin		●						Anthracycline drug
Epoprostenol Sodium								Injectable Grade
Epothilone								Antineoplastic Agent
Eprinomectin								Veterinary API
Eptifibatide								Cardiovascular
Eribulin Mesilate								Anti-Cancer
Esmolol HCl								Injectable Grade
Etomidate								Anaesthetic
Etoposide								Anti-Cancer
Everolimus		●	●					Anti-Cancer
Exatecan								Antineoplastic
Exemestane		●	●					Anti-Cancer
Exenatide								Anti-Diabetic
Ferric carboxymaltose								Iron Supplement

Disclaimer: Products protected by valid patents are not offered for sale in countries where the sale of such products constitutes a patent infringement and its liability is at buyer's risk. Ferric citrate hydrate								Iron Supplement
Ferric Everolimus								Injectable
Ferric Pyrophosphate Citrate								Iron Supplement
Ferumoxytol								Iron Supplement
Fidaxomicin								Anti-infection
Filgotinib								Anti-inflammatory
Flavomycin Premix 4% 8%								Antibiotics Premix For Animal
Flucinolone Acetonide								Used in dermatology to reduce skin inflammation
Flucinonide								Skin inflammation
Flucortolone								Anti-inflammatory
Fludrocortisone Acetate								
Flumazenil		●	●					An antagonist and antidote
Flumethasone								Anti-inflammatory
Flumixin Meglumine								Anti-inflammatory
Fluoromethalone								Anti-inflammatory agent
Fluprednisolone								Anti-inflammatory agent
Fluticasone Furoate		●						Allergic and non-allergic rhinitis.
Fluticasone Propionate	●	●	●					Antiallergic
Fondaparinux Sodium		●						Anticoagulant
Fortified Procaine Penicillin Sterile	●							Anti-Biotic
Foscarnet Sodium								Antiviral
Fosphenytoin Sodium								Anticonvulsant
Fucoidan								Poly-Sacharides
Fusidic Acid	●	●	●					Anti-Biotic

Sodium Fusidate								Anti-Biotic
Fulvestrant		●	●					Antagonist
Fumagillin								Antimicrobial agent
Gadoxetate Disodium								Paramagnetic contrast agent
Galantamine		●	●					
Galantamine Hydrobromide		●	●					
Gamythromycin								Veterinary API
Ganciclovir								Anti-viral
Ganirelix Acetate								Genital
Gefitinib		●	●					Antineoplastic
Geldanamycin								Antitumor
Gemcitabine HCL		●	●					Antitumor antibiotic
Glatiramer								Antiinflammatory
Glatiramer acetate								Antiinflammatory
Gonadorelin								Antitumor
Goserilin								Antitumor
Granisetron HCL		●	●					Antiinflammatory
Halbetasole Propionate								Antiinflammatory
Halcinonide								
Halobetasole								Antiinflammatory
Halometasone								Antiepidermoplastic
Heparin Sodium	●	●	●					Anticoagulant
Hexapeptide-9								Reparing Peptide
Homatropine methylbromide								Anticholinergic
Hydrocortisone Aceponate								
Hydrocortisone Acetate			●					
Hydrocortisone Base		●

Mitomycin								Anti Cancer
Molnupiravir								Anti-Viral
Mometasone Furoate		●	●					Anti-Allergies
Monensin Premix 20%50%								Veterinary API
Moxifloxacin HCL								Anti-Biotic
Mycophenolate Mofetil								Anti-Biotic
Nelarabine								Antineoplastic agent
Neocarzinostatin-chromophore								Antitumor Anti-Biotic
Nepafenac								Anti-inflammatory
Neratinib								Anti-cancer
Nicardipine HCL								Antagonist
Nicergoline								Improves brain blood flow
Nilotinib HCl								Antineoplastic
Nintedanib								Idiopathic pulmonary fibrosis
Nitenpyram								Antiparasitic
Norepinephrine Bitartrate								Hypotension
Nosiheptide								Anti-Biotic
Nusinersen								Used in treating spinal muscular atrophy (SMA)
Obetichloric Acid								
Octapeptide-2								Pro-hair Peptide
Octreotide acetate		●	●					Antitumor
Oilgomycin A								Macrolides
Olaparib		●	●					Antineoplastic agent
Olmesartan								Hypertension
Omadacycline								Anti-Biotic
Ondansetron hydrochloride		●	●					Antagonist

API	Indian Regtn	USDMF	EDMF / CEP	JDMF	KDMF	CDMF	ASDMF	Therapeutic Use
Ticagrelor								Used for the prevention of stroke
Ticarclilin Sodium								Antibiotics
Tigecycline								Antibiotics
Tildipirosine								Veterinary API
Tilmicosin Base / Tilmicosin Phosphate								Anti-Biotic
Tiopronin								Used to prevent kidney stones
Tobramycin								Anti-Biotic
Topiramate		●	●					Anticonvulsant
Topotecan hydrochloride		●	●					Antineoplastic
Trabectedin								Antitumor
Trametinib								Anti-cancer
Travoprost		●	●					Used to treat high pressure inside the eye due to glaucoma
Trenbolone Acetate								Anabolic steroid
Treprostinil Sodium								Antiplatelet agent
Triamcinolone Acetate		●						Anti-Allergies
Triamcinolone Acetonide Acetate								Anti-Allergies
Triamcinolone Base								Anti-Allergies
Triamcinolone Diacetate								Anti-Allergies
Trilostane								Used in the treatment of Cushing's syndrome
Trimetazidine Hydrochloride								Anti-ischemic metabolic agent
Tripeptide-1								Anti Wrinkle Peptide
Triptorelin								Antitumor
Tropisetron								Antiemetic
Tulathromycin								Anti-Biotic
